## **A Note from the President....**

The EESSC's largest fund raiser of the year, the EESSC Agility Trial, took place over Labor Day Weekend and was very successful. I would like to extend my deepest gratitude to all of the club members who gave up all or part of their holiday weekend to ensure that the trial ran smoothly. Sue Ellen Healy once again was a great trial chair. The judges, Barbara Bounds and Sandra Moody, designed challenging but fair courses and drew big entries. I am also grateful that so many of the exhibitors chipped in to help the show run smoothly, as there are many tasks to be performed at a trial. The plans for the February 17 and 18, 2018 agility trial at American K9 Country in Amherst, NH are well underway, and we will need to ask more club members for their help to be able to put on this trial.

The EESSC BOD is of course making plans for the June 2018 show, and hopes to help everyone in Eastern put on another great show! Please start thinking about your catalog ads and making your travel plans!

Wishing everyone a happy and safe fall season and much success to those who will be showing in any venue!

## **EESSC Futurity -- A Short Course**

The Eastern Futurity is one of few -- if not the only -- Futurity held for Springers. It is an old tradition and worthy of note. The Futurity year runs from **December 1 to November 30** each year. The year is timed that way so that the classes for ages of puppies works out appropriately for our Specialty show in June.

There are three steps to entering puppies in the Futurity at the EESSC specialty show. **First**, nominate a bitch prior to whelping for \$10 (or within 60 days after the puppies are whelped for \$15). Nomination forms are readily available from the Futurity Chair, on the EESSC.org website (where for a convenience fee you can enter using PayPal), and are often printed in the Newsletter. **Second**, enroll the puppies from the litter that you might want to enter in the futurity when the puppies are six months of age. The enrollment forms are sent to the breeder just prior to the litter's six-month birthday and the breeder has a one month window, after the litter's 6 month birthday, to return the forms to the Futurity Chair for a fee of \$5 per puppy. However, if for some reason you are late with enrollment, you will still be able to enroll a puppy from a nominated litter up until May 1 for a fee of \$50. **Third**, enter the puppy in the Futurity for the June show -- on the entry form just indicate the Futurity class on the entry. The puppy must be entered in Regular classes as well.

**IT IS VERY IMPORTANT THAT YOU USE THE PROPER FORM** to enter your animals in the Futurity to ensure that all the proper information is given -- entries missing information will not be eligible. **Nominations and enrollments** will not be accepted on the telephone, fax, or by email -- however, questions about the Futurity are welcome by telephone, email or "snail mail." I hope that this synopsis has helped clarify this wonderful tradition. I look forward to working with all of you.
